**\*\* Reminders:** #1 distributes near Holy Family Side and the center right pews. #2 Distributes to the musicians and the parishioners in the back who cannot come forward in the Communion line. The time to enter the sanctuary is *after* the celebrant drinks from the chalice. IF you run out of Hosts in your ciborium, go to the celebrant who will always have enough to give you more.

Sanitize your hands before *and* after receiving Holy Communion. When you are finished distributing, return the ciborium to the altar, purify your fingers at the credence table and then sanitize your hands. Then push back toward the wall the bowl and finger towel that you used.
